Fellow Spartans,

My name is Lorenzo Santavicca, your Student Body President. I would like to take a moment to thank you for your consideration in running in the ASMSU Elections to represent your college or class. As your student government ASMSU is doing a lot of work to improve campus and the Spartan experience. Running as a representative or member of the class councils is a great way to not only improve MSU, but also to gain valuable leadership experience.

I hope that, if elected, your time as an elected leader will be reflective of our philosophy of ASMSU[You] – where our fellow peers are at the center of every part of advocacy and engagement opportunities in student leadership.

ASMSU is one of the most prestigious, renowned, and powerful student governments in the nation. We have championed new student services, programs, academic policies, and governmental advocacy.

Recently ASMSU has designed a new academic policy, the Spartan Code of Honor. We have also begun early discussions about an off-campus governance on student actions; all of which have been engaged through MSU's Academic Governance system. ASMSU has led and partnered in discussions on becoming a more welcoming community for all students of diverse backgrounds on campus.

ASMSU has been a part of Mental Health Awareness and outreach with the new "Spartan Support Network" and a strong advocate for change related to sexual assault policies and prevention. ASMSU has been on the front lines as well as behind the scenes, pioneering new initiatives on behalf of our students.

We have an overabundance of services and programs for students, such as the new and upcoming Safe Ride program, the i-Clicker and Graphing calculator rental program, free legal services, interest free loans, printing and copying, blue books, and much more. We produce the MSU yearbook, the Red Cedar Log, and provide free or low cost events to students.

Not only do we advocate for students within the University, but we work with the East Lansing City Council to ensure that the student voice is heard within the community. We have worked with East Lansing on issues ranging from the city's financial health, to voter access and community relations. At a federal level we advocate for continued support of federal loans and grants for students to our legislators.

I am glad you have chosen to get involved. Regardless of the election outcomes, I hope you will continue to support and take interest in the important work that is being done on campus on behalf of students. Please reach out to me if you have any questions or would like to learn more about ASMSU as you begin to take up a large role in campus student leadership.

Go Green!

Lorenzo Santavicca
Student Body President, 53rd Session
