A BILL TO: Advocate for Affirmative Consent Education and Reform

THE ASSOCIATED STUDENTS OF MICHIGAN STATE UNIVERSITY ENACT:

WHEREAS, A 2007 Department of Justice report, entitled the *Campus Sexual Assault Study*, found that one out of every five undergraduate women experienced a completed or attempted sexual assault since entering college; and,

WHEREAS, Sexual assault on college campuses has become an epidemic that has not been adequately addressed by universities, state legislatures, and Congress; and,

WHEREAS, Legislation, introduced by Senator Curtis Hertel Jr. and Representative Tom Cochran, would require Michigan schools that teach sex education to include education about affirmative consent; and,

WHEREAS, The legislation clarifies, within Michigan statute, that silence or lack of resistance does not constitute consent; consent may be rescinded at any time; and, that a relationship does not imply consent, will make positive, substantive, changes to the way sexual assault is taught in high school; therefore be it,
