**BILL NO. 54-34**

**INTRODUCED BY: Ausmus**

**SECONDED BY: Horne**

**A BILL TO: Allocate funds toward needs of listening and responding to campus climate**

**THE ASSOCIATED STUDENTS OF MICHIGAN STATE UNIVERSITY ENACT:**

WHEREAS, Students are an integral part of the MSU community and have been affected by MSU's administration's policies and handling of sexual assault; and,

WHEREAS, If students, faculty, and staff provide MSU Board of Trustees and administration with a clear set of goals and improvements they want to see at the University, there could be a chance for more progress; and,

WHEREAS, The university hasn't provided enough opportunities for the MSU community to be heard, and address the current situation surrounding MSU, Larry Nassar, and sexual assault; and,

WHEREAS, ASMSU hosting an event such as this could provide a listening space for interested, collaborative partners to engage with our constituencies on the ways in which we can move forward together at this critical time for campus; and,

WHEREAS, Ordering materials to reflect the desire of the student government to stand with survivors of sexual assault, and demonstrate the need for us to be seen in visual, creative ways will be incremental to our progress going forward; therefore, be it,

RESOLVED, The Associated Students of Michigan State University will allocate \$7,000 from the General Fund toward the needs of listening and responding to campus climate at this time, whether that is by hosting events where students can share thoughts, and generate ideas regarding MSU's future policies and culture surrounding sexual assault, or ordering marketing materials, and other initiatives at the discretion of the Office of the President and Chief of Staff.
