ABOUT US

ASMSU is the undergraduate Student Government of MSU. Our mission is to enhance our individual and collective student experience through education, empowerment, and advocacy by dedication to the needs and interests of students.

Briefly explain what your group is about

(30 seconds-1 minute)
Briefly explain your past events

(maximum 1 minute)
PROJECT OVERVIEW

• Have a slide to give information about the specific project that your RSO is asking funding for

• Sell the board on your program

(30 seconds - 1 minute)

Although the application you submitted will be available to the Student Allocations board, please give us information of the exact funding you are asking for. **Recommendation**: use extra slides to explain each category with detail.

**THIS IS THE MOST IMPORTANT SECTION.** Please spend **at least 5 minutes** on your budget! This includes total project budget, requested funding, what that money will be used for, and other sources and strategies you are using for funding/fundraising. Use multiple slides if needed.
BENEFITS AND OPPORTUNITIES

• How will the project benefit your organization’s members?

• How will the project benefit MSU undergraduate students?

• Explain the opportunity that the project may give to your organization’s members or to undergraduate students?

(3 minutes maximum)
At this time, the Student Allocations Board will have 5 minutes to ask questions relevant to your project.
