THE STAND TALL PROJECT

The Stand Tall Project is a nonprofit student organization at Michigan State University. We are dedicated to providing free self-defense seminars to girls in at-risk neighborhoods in Michigan.

We hope to reduce the prevalence of domestic violence, sexual assault and bullying in low-income areas by advocating for the empowerment of young women. By arming young girls with the skills they need to defend themselves, they can prevent themselves from becoming victims of violence.

FROM: Brian D. Hercliff-Proffer, Assistant Manager
University Activities Office

RE: Great Fundraising Opportunity 6 December – 8 December

The University Activities Board would like to invite your organization to take part in a fundraising opportunity! Since 2005, we have run this HUGELY successful fundraiser for the student organizations on campus. The 56th Annual MSU Winter Arts & Crafts Show will take place 7 December – 8 December in the MSU Union Building. There are over 130 artists in the show and whom many will hire students to help load-in and out for the event. Most of the artists use more than one helper, so the earning potential for your organization could be hundreds of dollars!

What UAB requires of your organization to participate:

- Your members must be available for at least one of the following shifts:

Friday, 6 December	5:15 p.m.-9:00 p.m.
Saturday, 7 December	5:45 a.m.-9:00 a.m.
Sunday, 8 December	3:45 p.m.-7:30 p.m.
- Your organization must supply a **MINIMUM OF 5** volunteers and they **MUST be able to lift heavy items and climb stairs**.
- These volunteers must be available for the entire shift.
- Please dress to accommodate cold, wet weather (heavy shoes/boots and winter gear).

Division of
**Residential and
Hospitality
Services**

University Activities Board
Michigan State University
MSU Union
49 Abbot Road, Rm 26
East Lansing, MI
48824-1029

Phone: 517/355-3354
Fax: 517/432-2448

What you will receive:

- UAB will require each crafter to make a minimum \$10.00 donation for each helper they use per hour (i.e. if two members of your group help one crafter for two hours, that crafter would pay you a minimum of \$40.00). There is no guarantee that all your members will always be working.
- You will receive the fundraising dollars directly from each crafter that you help. Your organization is responsible for your own cash-handling and group account deposits.

How it works:

UAB will provide a central location to serve as the check-in point for crafters to find a load-in helper. This location will be the Main Lounge Stage on the 1st Floor of the MSU Union (where Open Mic Night is held). This is where your members congregate. In order to more fairly distribute the work among groups, all work assignments will be handled from this central location. Crafters have been notified regarding **REQUIRED** minimum donations and the importance of payment as part of this benefit. Your assistance in ensuring that no load-in help is offered other than through the procedures listed here will be helpful in managing the exchange. There will be signage reiterating the donation policy as well as a handout given to each artist as they load in.

Disclaimer: There is no guarantee as far as how much your organization will earn. We keep the number of organizations to a minimum in hopes that there to be enough opportunities for all.

If you are interested in participating in this fundraising opportunity and can meet all of the requirements listed above, please complete the form here:

Please feel free to contact the UAB office if you have any questions.

CITY OF EAST LANSING

The Home of Michigan State University

Dear MSU Students,

I would like to extend an invitation to you to apply to the University Student Commission of the City of East Lansing. The USC plays an important role in the municipal government here in East Lansing. As a city with a significant student population, it is very important to include student input in policy creation. The USC meets about twice per month during the school year to discuss policies and their impact on students and provide recommendations for action to the City Council. By bringing students to the decision-making table, we hope to better-represent the needs of all our community members.

Furthermore, the USC bridges the gap between the City and the University, opening communication channels and partnerships for growth on both sides of Grand River. Students appointed to the USC serve as representatives of organizations on campus or the student community at-large. The City understands the need to hear from a diverse body of students and recruits across colleges and student organizations to invite applicants to well-represent MSU's student population. Any student of MSU is encouraged to apply to the commission. Previous experience on a board is not required.

410 Abbot Road
East Lansing, MI 48823
(517) 337-1731
Fax (517) 337-1559
www.cityofeastlansing.com

Not only does the USC provide students the opportunity to play an active role in their local government, it also provides training on parliamentary procedure, connects students to their community and allows them to build working relationships with City and MSU staff and the Mayor.

I am looking forward to another great year and hope you will consider applying.

Sincerely,

Mark Meadows
Mayor, City of East Lansing

Mayor Meadows is the City Council liaison for the University Student Commission, is currently recruiting students to fill seats on this commission.

Being a part of the USC only requires the commitment of a couple Tuesday evenings per month and offers the benefit of being a voice for students in the community, staying in the know with City happenings and learning about policy and city government.

This semester, the USC will meet at City Hall (410 Abbot Rd) at 5:15 p.m. on the following Tuesdays:

***November 19
December 3***

If you would like more information or are interested in applying, please visit <https://www.cityofeastlansing.com/629/University-Student-Commission> or contact me at nbartel@cityofeastlansing.com or 517-319-6920.
