

**ACKNOWLEDGEMENT OF COVID-19 PROTOCOLS, WARNINGS, AND RISKS ASSOCIATED
WITH THE USE OF THE SAFE RIDE SERVICE**

I am aware that ASMSU provides undergraduate students with free transportation to and from in-person classes and employment obligations. I understand that ASMSU does not own or operate the vehicles used in its Safe Ride service, but that ASMSU has hired Dean Charters and Tours, Inc. (“DEAN), to provide all drivers and vehicles for its Safe Ride service. I am also aware that the novel coronavirus has caused a worldwide pandemic of a respiratory illness called COVID-19.

I acknowledge that COVID-19 is extremely contagious and can spread by person-to-person contact, contact with contaminated surfaces and objects, or through the air, and can cause potentially life-threatening illness, injury, and even death. I understand that ASMSU and DEAN cannot prevent me from becoming exposed to, contracting, or spreading COVID-19 while utilizing ASMSU’s Safe Ride service. Although precautions have been put in place, it is not possible to ensure against the presence of the disease. Therefore, if I choose to utilize ASMSU’s Safe Ride service, I may be exposing myself to and/or increasing my risk of contracting or spreading COVID-19. To help keep everyone safe from exposure, sickness and/or possible death from COVID-19, I agree to adhere to the following terms and protocols, unless medical conditions prevent me from doing so, when using the Safe Ride service:

- Use an alcohol-based hand sanitizer when I enter the Safe Ride vehicle and after I touch any doors, seats, seatbelts, or other items exposed to touching by other person(s).
- Wear a face mask at all times.

Note: If I test positive for the coronavirus, ASMSU and DEAN may be required to notify local health authorities, MSU, or other reporting agencies that I have used the Safe Ride service and may have been in contact with our staff or other persons. By signing this form, I am agreeing that ASMSU may make such a report without an additional signed release.
