Dear Spartans,

My name is Emily Hoyumpa and I currently serve as your ASMSU & Student Body President. Thank you for considering running for the 60th ASMSU General Assembly. As the legislative branch of our student government and the principal student policy-setting mechanism here at Michigan State, the General Assembly strives to serve the unique needs of 40,000 undergraduate students. Running for the General Assembly is a commitment to the service of others and to promoting the welfare of the students we attend class with, see at football games, and enjoy Spartan traditions alongside. By making this commitment, you have chosen to not merely exist within the Spartan community whilst studying here; you have chosen to work to make it better. This decision — one of integrity, compassion, and kindness — is one that I do not take lightly, nor do the currently serving General Assembly Representatives.

If elected, you will serve alongside passionate and dedicated student leaders representing the undergraduate colleges, Council of Racial & Ethnic Students, Council of Progressive Students, Fraternity & Sorority Life, and several other major governance groups on campus. The work you will do will not be easy, but it is rewarding, necessary, and most notably, impactful.

ASMSU remains one of the most prestigious and influential student governments in the nation. In 2018, we hosted the Association of Big Ten Students' Winter Conference, where the collective efforts of the Big 10 student governments were fostered. In 2019 we were awarded “Most Outstanding Student Government” nationally by the Conference on Student Government Associations. Since 1965, we have championed
new student services, programs, academic policies, and governmental advocacy. We provide services such as Safe Ride, i-Clicker and graphing calculator rentals, interest-free loans, free printing, blue books, legal services, and more. ASMSU also provides the free MSU Yearbook (the Red Cedar Log) for all students.

Finally, I applaud your decision to take this important step in becoming involved. I look forward to seeing where your passion for student advocacy leads you. Regardless of the election outcomes, you win if you continue to support student efforts and involvement. Please feel free to reach out to me with any questions or to learn more about ASMSU as you begin to embark on this experience within our institution's history. I am incredibly excited at the prospect of you joining Team ASMSU & my door is always open if you need anything!

In Green and White,

Emily Hoyumpa

ASMSU & Student Body President, 2023-2024

president@asmsu.msu.edu
Position Description:

The Associated Students of Michigan State University General Assembly is the main body which governs the association and makes decisions on the undergraduate student body's behalf. The ASMSU General Assembly consists of representatives from each college within the university and the various Council of Racial and Ethnic Students (CORES) and Council of Progressive Students (COPS) groups, all of whom actively represent the interests of students to University committees, Board of Trustees, University administrators, City of East Lansing, State of Michigan, and other pertinent entities on all student and academic related issues.

To provide more of a description for your responsibility, you will have General Assembly meetings every other Thursday at 7 p.m. and on alternating weeks committee meetings for whichever one you are assigned being Policy, Finance or Academic. Given it is a fall election, certain committees may have less room so please understand you may not be appointed to your preferred choice. Outside of these meetings you may have some correspondence and possible meetings with constituents and MSU faculty.

Special Notice Regarding Fall Elections:

Given the current size of the 2023-2024 General Assembly, not all college seats were filled in the 2023 spring elections. The seats that are open are listed below, however, if there are no seats open in a particular college then students within that college are not eligible to run for the General Assembly. Since this is a special fall election, that is why some colleges do not have open seats. If your college does not have an open seat and you are not graduating, please consider running in the 2024 spring election. Understand there are other opportunities to get involved with ASMSU. Each class at MSU has an ASMSU Class Council and ASMSU also has a Student Allocations Board to allocate money to Registered Student Organizations, which you can receive more information by emailing vpsa@asmsu.msu.edu. You can also apply to work on staff at: https://msu.joinhandshake.com/login.

Before Completing your application and declaration of candidacy:

1. Before applying for a seat, please confirm with the MSU Registrar’s Office or Student Info of your CURRENT college enrollment. You may only run for a seat for which you hold a current MAJOR within.

2. Please note that the ASMSU General Assembly meets every Thursday night. The meeting alternates between committees and a full General Assembly meeting. Accommodations will be made for any student who is not currently on-campus or in the local area.

3. Given the timing of a fall election, there is the option of completing your signature requirement to get on the ballot with an electronic form instead of the paper printouts. However, it is recommended to use the paper and you must write the UEC to request an electronic form after submitting everything else.

4. We highly recommend that you review the ASMSU Constitution and Code of Operations prior to declaring your candidacy. These documents include important information about the organization and your participation. You will be asked to abide by this code during and after your campaign. You cannot campaign until you have been approved by the UEC in writing on November 7.

5. Responsible Employee Acknowledgement: All ASMSU employees are Responsible Employees. This means we are required to report all incidents of sexual harassment, sexual violence, sexual misconduct, stalking, and relationship violence that are observed or learned about in this meeting to the Office of Institutional Equity. You can learn more at OIE’s website. This statement is meant to provide the public with the information needed to make an informed decision about their stories.
Instructions for Submission

1. Print and completely fill out the Election Packet with signatures OR complete without signatures and request an electronic form by emailing the UEC.
2. Submit the Election Packet, filled out completely in the timeline, in one of the following manners:
   a. Return to the ASMSU Engagement Office, Room 307 of the Student Services Building by 4:30 p.m. on Monday, November 6. NO EXCEPTIONS!
   b. Scan and email to elections@asmsu.msu.edu

If you have any questions contact the ASMSU Undergraduate Elections Commission Chair at elections@asmsu.msu.edu.

Failure to complete the Election Packet and submit to ASMSU by Monday, November 6 at 4:30pm will DISQUALIFY your candidacy. Your name will NOT be on the ballot. However, you may run as a write-in candidate due on Friday, November 10 by 4:30 p.m. Forms will be available Tuesday, November 7.

Campaign Rules:
Important rules about campaigning can be found on page 58 of our ASMSU Constitution and Code of Operations, which is on the ASMSU website. An important rule is that you can not begin campaigning until you receive confirmation from UEC that you are a confirmed candidate. Failure to follow these guidelines, outlined in the ASMSU Constitution and/or Code of Operations can result in your disqualification from the election.

Write a brief bio and campaign statement for the press packet and for ASMSU's Website. Please include your on-campus involvement, why you want to be an ASMSU Representative and what ideas/goals you have if you were elected as a representative. Attach or write below, in neat handwriting, no more than 250 words. *Please note that this may or may not go on ASMSU social media accounts*

I am running for student representative of the Communications Arts and Sciences College because our students need a voice. Communications often get disregarded as an "easy" major. The truth is that we have some of the most dedicated and hard-working students on campus. I want our students to be seen as the storytellers, truth-seekers, creators and leaders that they are. I love this program, I love our student RSO's affiliated with CommArts, lastly I love our community. Because of my love for CommArts and my passion for leadership, I want to represent our program in hopes of keeping our legacy strong. I am committed to inclusion, student advocacy, and integrity.
