ASMSU SafeRide New Service Area Petition Form

From the ASMSU and SafeRide teams, thank you for your interest in using our SafeRide service. In order to keep wait times for riders low, the team has to limit the number of locations the service map covers. With this in mind, the SafeRide team has been doing extensive research to identify the locations that are requested the most by undergraduate students.

In order to add a new location to the map, an individual will be required to provide the address of the new location, and obtain 15 signatures (not including the requester) from other individuals that reside in and wish to add the new location to the service map. Please print and return this form to the ASMSU Engagement Office, located on the third floor of the Student Service Building, or email a photo of the form to the SafeRide Director: saferide.dir@asmsu.msu.edu.

For confidential purposes, this document will only be shared with the ASMSU Vice President of Finance and Operations, SafeRide Director, and the assigned MSU Advisor. The PID number is being requested to ensure that the residence's signatures below are enrolled MSU undergraduate students that are eligible to benefit from the SafeRide service.

If you have any questions, please contact the email listed above or the ASMSU Vice President of Finance and Operations: vpfo@asmsu.msu.edu
